

GEORGIA INSTITUTE OF TECHNOLOGY
Graduate Seminar Session
Georgia Tech Europe

The Graduate Seminar Series at Georgia Tech Europe aims at inviting speakers from our alumni and corporate partners that will share their experiences with our students. The thematic presented range from engineering talks, entrepreneurial ventures, and research challenges, ...

The objective for our corporate partners is to recruit directly students for internships or jobs.

The Seminar carries one hour of pass-fail credit per semester. Satisfactory completion of the seminar will be based upon an attendance of at least 80% of the talks.
