

**Courses:**

**Individual Research & Special Problems**

**Applies to – ECE 9000, ECE 8900, CS 8903, ECE 4699, CS 8903, CS 4803, CS 7000. ECE 8903**

**Instructor: Dr. Vijay K. Madiseti**

**Email: [vkm@gatech.edu](mailto:vkm@gatech.edu)**

**Syllabus:**

**Individual research will involve guided research in the areas of cybersecurity and AI, and their intersection.**

**Grading: The grading policy for these research courses will be based on the identification of a research problem, proposing a solution, and benchmarking the results of the solution against the state of the art. The results would be assimilated into a paper to be submitted to a journal or a conference,**

**Schedule: Weekly 1:1 meetings between student and professor.**
