### **Description**

Elementary French I offers an introduction to listening, speaking, reading, and writing in French and to the culture of French-speaking regions.

### **Course Learning Outcomes**

Upon successful completion of this course, students will be able to:

- Use French to communicate with peers and the instructor both orally and in writing to create a shared community experience.
- Employ strategies to comprehend texts (in written, aural, and video form) written by and for French speakers.
- Employ strategies to express ideas orally and in writing related to familiar topics in presentational contexts.
- Employ strategies to express ideas in interpersonal contexts in culturally appropriate ways, including identifying and signaling comprehension breakdown, asking and answering questions, and requesting information.
- Understand and communicate the basics of French-speaking cultures, modes of life, and customs.
- Develop intercultural awareness through the study of the similarities and differences among and the relationships between language and culture systems.
- Be prepared to continue developing French language skills and cultural understanding in FREN 1002.

Grading Scale:        A 90-100%    B 80-89%    C 70-79%    D 60-69%    F 0-59%

## **Assignments**

- Participation: 12%
- Tests: 35% (Test#1:7%, Test#2:7%, Test#3:7%, Test#4:7%, Test#5:7%)
- Homework: 36% (Chapter#1:7%, Ch.#2:7%, Ch.#3:7%, Ch.#4:7%, Ch.#5:7%)
- Partnered Conversation: 10%
- Final Exam: 7%

## **Description of Graded Components**

### **Participation (12%)**

You are expected to attend class and participate, making meaningful contributions to the class. You must actively contribute to pair, group, and class discussions by both asking and answering questions. This also means that you will willingly engage in class activities and will always use the target language, i.e., French. All students are expected to attend every class day, arrive on time, be prepared for the course, and participate actively in the daily class activities.

### **Homework (36%, 6% per chapter)**

VHL Online homework will cover 6 chapters. It will include grammar & vocabulary tutorials and activities, cultural readings and Flash culture videos, and lab activities. The homework needs to be done on a regular basis to help you understand new features in vocabulary and grammar (VHL preview activities) as well as to help consolidate your knowledge of vocabulary and grammar (VHL repetition activities) through additional practice.

### **Chapter tests (35%, 7% each)**

There will be five (5) chapter tests during the semester. They will test the knowledge gained upon the completion of each unit. All tests will follow the same format and include sections such as listening comprehension, writing, grammar, vocabulary, and culture.

### **Partnered conversation (10%)**

This assignment is collaborative work: you will pair up with one or two classmates to create a skit on one of the topics from a given unit. Clear guidelines with expectations will be shared with students in advance. Grading follows a rubric with the following criteria: adherence to the assignment's requirements, pronunciation, vocabulary and grammatical structures, creativity, and inclusion of relevant cultural elements. You will be graded individually.

### **Final Exam (7%)**

It will be administered during Final Exam Week on the scheduled time.

## **Course Policies**

---

### **Attendance and/or Participation.**

You are expected to attend class and participate, making meaningful contributions to the class. You must actively contribute to pair, group, and class discussions by both asking and answering questions. This also means that you will willingly engage in class activities and will always use the target language, i.e., French. All students are expected to attend every class day, arrive on time, be prepared for the course, and participate actively in the daily class activities. Absence from class will affect your grade, as will late arrivals, early departures, and regularly entering and leaving the room while class is in session. Before coming to class each day, prepare the section of the lesson. You are allowed 3 unexcused absences (scheduled flights or trips, picking up relatives at the airport, chauffeuring a friend somewhere, going to a wedding/reunion) throughout the semester. An absence is excused if a) you are required to participate in an official GT event (e.g. All—Majors Career Fair) b) you are under a doctor's care or scheduled an emergency doctor appointment (documentation required) c) you are granted a leave of absence from GT for reasonable cause by an academic dean (documentation required) d) documented illness or a significant life-event prevents you from attending class e) you are observing a major religious holiday f) going to a job/internship interview (documentation required). EACH additional absence will result in the subtraction of 1 point from your course grade (on a 100 scale). For perfect attendance, 1 point will be added to the final grade.

### **Academic Integrity**

Georgia Tech aims to cultivate a community based on trust, academic integrity, and honor. Students are expected to act according to the highest ethical standards. Review [Georgia Tech's Honor Code](#) and the student [Code of Conduct](#).

Any student suspected of cheating or plagiarism on a quiz, exam, or assignment will be reported to the Office of Student Integrity, who will investigate the incident and identify the appropriate penalty for violations.

## **Accommodations for Students with Disabilities**

If you are a student with learning needs that require special accommodation, [contact the Office of Disability Services](#) (404-894-2563) as soon as possible to make an appointment to discuss your special needs and to obtain an accommodations letter. Please also e-mail me as soon as possible in order to set up a time to discuss your learning needs.

## **Student-Faculty Expectations Agreement**

At Georgia Tech, we believe that it is important to strive for an atmosphere of mutual respect, acknowledgement, and responsibility between faculty members and the student body. [The Student-Faculty Expectations](#) articulate some basic expectations that you can have of me and that I have of you. In the end, simple respect for knowledge, hard work, and cordial interactions will help build the environment we seek. Therefore, I encourage you to remain committed to the ideals of Georgia Tech while in this class.

## **Collaboration, Group Work, and Use of Generative AI.**

You are allowed to work in groups on the partnered conversation project, but any work you turn in must be written in your own hand. In-class tests and exams are to be your own work. All in-class tests and exams will be closed book and notes.

## **Extra Credit Opportunities**

During the semester, you will have the opportunity to participate in French-related cultural activities, Table francophone, French Club meetings, International Education Week, on-campus and off-campus exhibits and conferences, etc. Up to three (3) extra credit points will be added to your chapter test scores per event attended. Please note: attending cultural activities will not make up for incurring unexcused absences.

## **Extensions, Late Assignments, & Re-Scheduled/Missed Exams**

Late homework will be penalized accordingly. Make-up exams are given for illness, approved Institute activities or religious observances.

## **Inclement Weather and Digital Learning Days**

If a weather-related event affects campus operations, the lecture will pivot to digital instruction. Students will be assigned homework assignments and/or in-class activities to be completed by the end of the class day.

## **Student Use of Mobile Devices in the Classroom**

Please turn off your cell phone in the classroom. Sending text messages, surfing the web, checking emails, or otherwise perform non-class related activities during class will not be tolerated in class.

## Campus Resources for Students
