Evaluation & Grading

Attendance – Rehearsals and Performances

Each student is allowed to miss 4 classes with no penalty, including sick days. Each subsequent absence will lower the student's final grade by one full letter. Exceptions will be made for extenuating circumstances (chronic illness or family emergencies) but will be determined by the director. If a student misses the dress rehearsal before the concert, the student will not be allowed to perform. Missing the designated concert will result in an automatic letter grade drop.

4 Absences – A

5 Absences – B

6 Absences – C

It is the student's responsibility to communicate with the director when there is a problem attending class.

Participation Policy

Participation is an essential part of this course because Chorale relies on collaboration, preparation, and community. Your final grade will also reflect the quality and consistency of your participation throughout the semester.

Participation will be assessed on some of the following criteria:

1. Quality and Quantity of Contributions in Rehearsal:

- Do you actively engage in every rehearsal? (i.e. **not on your phone**, ipad, laptop, etc.)
- Do you remain respectful, focused, and responsive to both the conductor and your peers?
- Do you contribute positively to sectional and full ensemble discussions (e.g., asking clarifying questions, offering thoughtful suggestions)?

2. Preparedness:

- Do you arrive on time and ready to rehearse?
- Do you bring your folder, music, and pencil to every rehearsal?
- Do you complete required preparations, such as listening to practice recordings?
- **Do you turn in your folder at the end of the semester?**

Final Grade Breakdown

- Attendance (Rehearsals & Performances): 60%
- Participation (Preparation, Contribution, Collaboration): 40%

Attendance alone is not enough — preparedness, engagement, and collaboration are equally valued and are instrumental in shaping the success of the ensemble.
