Academic honesty/integrity statement:

The Georgia Tech Academic Honor Code is enforced at all times. All exams and homework are individual efforts, so you cannot give help to or receive help from anyone inside or outside the class unless I specifically allow collaboration. **You cannot use Chegg or any other online resource, and you cannot take help from anyone.** You can find more information about the honor code at <http://honor.gatech.edu/content/2/the-honor-code>

Core IMPACTS statement(s) (if applicable):

This is a Core IMPACTS course that is part of the Social Sciences area. Core IMPACTS refers to the core curriculum, which provides students with essential knowledge in foundational academic areas. This course will help master course content, and support students' broad academic and career goals. This course should direct students toward a broad Orienting Question:

How do I understand human experiences and connections?

Completion of this course should enable students to meet the following Learning Outcomes:

Students will effectively analyze the complexity of human behavior, and how historical, economic, political, social or geographic relationships develop, persist or change.

Course content, activities and exercises in this course should help students develop the following Career-Ready Competencies: Intercultural Competence, Perspective-Taking, and

Persuasion.
