

Genetics

Last Updated: Fri, 11/14/2025

Course prefix: BIOS

Course number: 2600

Section: A

CRN

27147

Instructor first name: Onur

Instructor last name: Birol

Semester: Spring

Academic year: 2026

Course description:

Attention: This course will have about 100 dollars of required learning materials associated with it. Budget accordingly if you are taking the course.

Course Description:

Diving deeper into the various genetic systems and mechanics in biology

Academic honesty/integrity statement:

Students are expected to maintain the highest standards of academic integrity. All work submitted must be original and properly cited. Plagiarism, cheating, or any form of academic dishonesty will result in immediate consequences as outlined in the university's academic integrity policy.

Georgia Tech aims to cultivate a community based on trust, academic integrity, and honor. Students are expected to act according to the highest ethical standards. For information on Georgia Tech's Academic Honor Code, please visit

<http://www.catalog.gatech.edu/policies/honor-code/> or visit

<http://www.catalog.gatech.edu/rules/18/>.

Any student suspected of cheating or plagiarizing on a quiz, exam, or assignment will be reported to the Office of Student Integrity, who will investigate the incident and identify the appropriate penalty for violations. Please note that all quizzes must be taken in the classroom. Attempts to take the quizzes outside of the classroom, or facilitating other students taking the quizzes outside of the classroom, will be considered cheating.
