

Conversation I

Last Updated: Fri, 11/28/2025

Course prefix: SPAN

Course number: 3101

Section: B

CRN

26499

Instructor first name: Danielle

Instructor last name: Geary

Semester: Spring

Academic year: 2026

Course description:

Spanish 3101: Spanish Conversation is an intermediate conversational course designed to improve students' communicative abilities. Certain grammar points will be covered for review and refinement, and weekly vocabulary will enhance confidence in speaking. This course includes the integration of several approaches to language learning: class discussions, grammatical exercises, vocabulary building, individual presentations, small group discussions, and professional language-partner conversations.

Academic honesty/integrity statement:

Students are expected to maintain the highest standards of academic integrity. All work submitted must be original and properly cited. Plagiarism, cheating, or any form of academic dishonesty will result in immediate consequences as outlined in the university's academic integrity policy.

Core IMPACTS statement(s) (if applicable):

This is a Core IMPACTS course that is part of the Humanities area.

Core IMPACTS refers to the core curriculum, which provides students with essential knowledge in foundational academic areas. This course will help students master course content, and support students' broad academic and career goals.

This course should direct students toward a broad Orienting Question:

- How do I interpret the human experience through creative, linguistic, and philosophical works?

Completion of this course should enable students to meet the following Learning Outcome:

- Students will effectively analyze and interpret the meaning, cultural significance, and ethical implications of literary/philosophical texts or of works in the visual/performing arts.

Course content, activities and exercises in this course should help students develop the following Career-Ready Competencies:

- Ethical Reasoning
- Information Literacy
- Intercultural Competence
